

Feedback and Evaluation

Was the presentation at the Museum helpful? Too long? Too short? At the right level for your class? How could it have been better?

Please rate the presentation style of your guide (please circle)

Excellent Good Fair Needs Improvement: _____

How successful were the on-site activities for your class? Do you think the kids learned from the activities? How could they have been better?

Was the background information helpful? What other kind of background would you like?

What in-class activities did you try? Which worked well? Which worked poorly?

Did you invent your own activities? Please describe (attach sheet if necessary).

What other kinds of activities would you be interested in?

Botany
Geology

Homework Reading
Local History with Lew

Morgan's Raid
Other: _____

What else could we do to help?

Please return to: General Lew Wallace Study and Museum, PO Box 662, Crawfordsville, IN 47933 or e-mail study@wico.net. If you'd rather do this evaluation over the phone, please call Stacy Klingler at (765) 362-5769.
