

Museum Rules

HOW IS THIS MUSEUM DIFFERENT FROM THE CHILDREN'S MUSEUM?

- ✓ Not very many things to touch or move
- ✓ Can't replace anything at the museum because it was made at least 50 years ago, if not 100 or 1000 years ago

SIT ONLY ON FOLDING CHAIRS OR ON THE FLOOR

- ✓ The other chairs are all at least 100 years so they cannot be replaced

ALWAYS WALK!

- ✓ No running
- ✓ No climbing
- ✓ No horseplay

KEEP YOUR HANDS TO YOURSELF!

- ✓ Don't touch the objects
- ✓ Don't lean on the furniture or displays
- ✓ The oils on our hands that leave fingerprints for detectives also hurt objects, especially wood and paper

USE INDOOR VOICES

RAISE YOUR HAND TO ASK QUESTIONS

- ✓ It's the best way to learn
- ✓ We will do our best to answer them
