

# FOR PARENTS: ARCHICAMP

ArchiCamp is a program that directly fulfills the mission of the General Lew Wallace Study & Museum. Through two days of activities, walking tours, and hands-on activities, students will gain an appreciation of Crawfordsville's unique architectural heritage. The program is designed for students ages 8-12. Following is a tentative schedule and is subject to change as details are finalized.

## **TUESDAY, JUNE 18**

During the first day of camp, students will explore parts of the Study building and Carriage House, visit the Masonic Temple, and create custom plaster bricks.

## **WEDNESDAY, JUNE 19**

On day two, campers will take a walking tour of Elston's Grove, create miniature stained glass "windows," create their own study out of recycled materials, and build a bird house.

## **PICK-UP AND DROP-OFF:**

Tuesday – Wednesday, June 18-19, 2019, 9:00 a.m. to 3:00 p.m.

General Lew Wallace Study & Museum, 200 Wallace Avenue. Please park in the lot off of Elston for pickup and drop off. Participants are expected to attend both sessions of ArchiCamp. Your family is expected to provide transportation to and from the Museum.

## **CLOTHING:**

We will spend several hours outside each day, weather permitting, so please bring sunscreen, sunglasses, a hat, and sweatshirt or coat, depending on the weather.

## **FOOD:**

A light morning and afternoon snack will be provided. Please let us know if you have any food allergies.

**Participants should bring a sack lunch each day.**

## **COST AND SPONSORSHIP:**

Your child's participation in ArchiCamp has been sponsored by a local community service organization or a local business or individual. You may be contacted by that group and your child requested to give a short presentation at a meeting later in the summer, or during the fall. While attendance at the organization's meeting is not mandatory, it is one way your child can repay the organization for their sponsorship AND serve the community.

*Your cost (registration fee) is \$25. Scholarships are available. If you need a scholarship for your child, please indicate this on your registration form. Please send a check or money order made out to the Lew Wallace Study Preservation Society. Enclose it with your registration form and return it to the Museum by JUNE 11.*

## **QUESTIONS?**

Please contact Amanda McGuire, Associate Director
